How to Search the IUSCT Public Database

- **Search by Document Title**: In this box, you should enter the full name of the document. A document's full name consists of three sets of numbers separated by hyphens (e.g. Award No. 600-485-1). The first set of numbers (600) represents the Award number, the second (485) represents the Case number, and the last (1) represents the ruling Chamber (1-3). In Full Tribunal awards, the initials "FT" appear in place of the last number.

- **Full Text Search**:
  - To find a phrase, put the phrase in quotation marks (e.g. "phrase")
  - To find a combination of two or more words in one document, type the words with one space between each word (e.g. public law discovery)

- **Advanced Search:** To make a more specific search using more detailed search criteria (e.g. Case or Doc. No., Award, Decision, etc.), click "Advanced Search". You will then be provided with the following additional search options:
